Building Solutions, LLC Hosts Blackjack ‘Lottery’ Event

Orlando, FL (June 30, 2005) - On Saturday, June 25 at eight o’clock in the morning pre-registered hopefuls began filing into the sales center of the Sanctuary in Oviedo. Today was their last chance to score a home in this most desirable community. With only 21 homes available the President of Building Solutions, Robert J. Kanjian, thought that a lottery with the blackjack theme would be appropriate.

As the attendees signed in, Bob shuffled the deck and fanned the cards. Registrants drew their card and prayed it was a lucky one. Some attendees were locals of the community while others flew from as far away as Massachusetts and New York in hopes of getting a chance to purchase a new home in Florida.

Within an hour, the crowd held their breath as Bob Kanjian dealt the first cards. “Six of spades and Jack of Spades,” he called. The excited families met quickly to make their decisions. It took only minutes for them to choose their new home.

In less than 3 hours, all twenty-one homes ranging from the mid 300’s to the low 600’s were sold.

There was no “better luck next time” for those who walked away empty handed. This was the second and last lottery event for this 770 home community which is now completely sold out!

About Building Solutions, LLC: Building Solutions LLC (Building Solutions) is the only statewide Full-Service Real Estate firm specializing in New Home sales. We provide a team of experts for the residential builder, saving them time and resources in the sale and marketing of their homes. *Our team becomes the builder’s team.* Building Solutions offers award winning sales and marketing expertise, seamless contract administration and real-time reporting.
